Join the Coastal Connection in this celebration of World Thinking Day with the Girl Scouts. Activities include a parade of flags, country displays, passports, international showcase, GSCCC registration and other information tables.

Troops have two ways to participate in this community event.

- You may choose either to create a traditional “booth” style exhibit with information, pictures, swaps and items from your country to display on your table.

OR

- You may choose to perform in the International Showcase with either a song, skit, or fashion representation of your country.

All troops are invited to watch the international showcase which will kick off the event at 1 pm. At 2 pm, the country exhibit portion of the event will open, beginning with the parade of nations. At the conclusion of the parade, exhibits will be open for visiting. All troops will need to man their booth from 2 pm until 5 pm. It is recommended to divide your scouts into shifts so they all have the opportunity to both visit the other displays and man their own booth. *Please ensure that GIRLS are present and assisting at your booth, not adults only.*

Additional details and display information will be available on the community webpage (see below).
