Girl Scout Spring Series

# Explore Your Community

We are excited to offer girls and opportunity to experience a few adventures that are available for Girl Scouts in Virginia Beach. This series of events are open to brand new troops who just recently formed, girls who participate in Girl Scouts in a non-troop pathway, or to girls who are currently on the waiting list waiting for troop placement. This is not meant to exclude girls who actively participate in a troop setting, but rather to provide program opportunities to girls who do not have a troop that can arrange for these activities. Troops are welcome to contact these organizations and arrange for their own troop program.

All participants must be registered in advance to attend.

Registration and payment is only available online. A small \$0.30 convenience fee is added for each transaction.

Due to limited space, activities are Girl Scout only expect where noted. A small insurance fee is required to cover non-registered adults and any siblings, even for events that are free to attend.

All scouts MUST be accompanied by an adult during all outings.

Complete details are available on the community website:
