

What is the best way to **BLAST OFF** to a new year?

# Leader Launch

It's time to start planning for another exciting Girl Scout program year. Don't miss your chance to meet other troop, service unit and community volunteers at the all-new leader kick-off event, the Leader Launch!

Offered by your community - Coastal Connection - the Leader Launch is perfect for new and experienced leaders alike! As an exhibition style event, you can browse, learn and explore at your own pace. Learn new things that can help you and the girls you mentor get the most out of your Girl Scout Experience, meet special guests from Council, shop at the Council Traveling Trunk store, and just have a **BLAST** socializing with other area volunteers!

**Your small registration fee includes a basic welcome packet and a special take-home gift from your community!**

For new leaders (or experienced Leaders who have never completed basic training), following the Leader Launch event, you will have the opportunity to complete two of your required volunteer classes. Both the SU Orientation and Girl Scout Program Basics courses are being offered. Make it easy and get everything done in one day! When taken in connection with this event, the classes will be **FREE**. (There is normally a \$3 fee for GS Program Basics.)

**Service Unit Orientation will be offered from 12:30 - 1:30**  
**Girl Scout Program Basics will be offered from 1:30 - 4:30**
